Fullfill your dream of a rugged expedition with Asteria, the perfect combination of a go-anywhere, world-class luxury superyacht. Converted from an ocean-going salvage tug, the strong hull has been bolstered by a set of 'zero speed' stabilisers that minimise motion both at anchor and underway. The dedicated helideck will easily accommodate medium sized helicopters. Spacious living quarters provide you and your guests with all the comfort and amenities of a 5-star hotel. From the unobstructed 360-degree views of the sundeck and outdoor Jacuzzi to the fully equipped bar and lounge, Asteria offers total comfort in even the most remote locations. Create your own adventures in this very special expedition yacht!
